Powerful, clever and dynamic

1 October 2018

# The Renault Trafic: Powerful, clever and dynamic

The Renault Trafic has been specifically designed to meet your professional needs, whatever your business environment. From panel vans to crew vans and even passenger versions, we have designed the Trafic to suit you and your business needs. We offer a wide range of specialist and practical solutions to give you the ability of creating a van that suits you, with even more variations available using the Platform Cab as a base. With its stylish design, efficient engines\*, Renault's latest on board technology and high levels of comfort, allow the Trafic to tick all of your boxes!

TRAFIC

40 147 100

# Versatile

## Panel Van

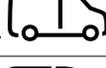

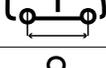

Choose from short or long wheelbase, low or high roof, glazed or panelled. Loading is made easy thanks to the low load threshold, whilst load volumes from 5.2m<sup>3</sup> to 8.6m<sup>3</sup> mean you'll have all the space you need.

## Crew Van

Need to get tools and a team to site? The Crew Van has seating for up to 6 and can still carry the tools you need for the job.

## Passenger

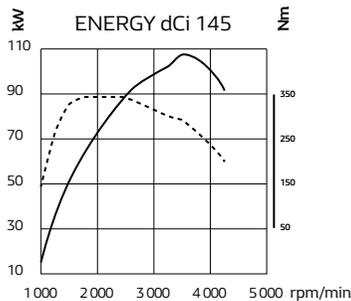

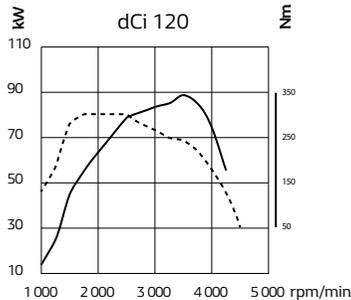

With seating for up to 9 people the Traffic Passenger is the ultimate way to transport clients, employees or the family.

		Standard Roof (SWB/LWB)	High Roof (SWB/LWB)	Crew Van (SWB/LWB)	Platform (LWB Only)
Load Volume (m <sup>3</sup> )		5.2 / 6.0	7.2 / 8.6	3.2 / 4.0	-

\*reference is to overall buildable load height and load length  
- is used where values are not applicable

# Double your performance with our ENERGY Engines

Our engines benefit from the same technological expertise developed by the Renault Sport Formula One Team™, offering you a range of engines that combine simplicity, complexity and performance.

--- Torque (Nm)  
— Power (hp)

A product of the latest generation 1.6 dCi block developed by Renault containing a variable geometry turbocharger (dCi 95 hp and dCi 120 hp) or Twin Turbo (ENERGY dCi 125 hp and ENERGY dCi 145 hp), improving fuel efficiency whilst offering a large range of engines to meet everyone's needs.

The Twin Turbo engine complete with Stop & Start technology and the regenerative braking system allows the Trafic to achieve a fuel economy of up to 47.2\* (LCV) and 50.4\* (Passenger), helping keep fuel costs low. Better fuel economy\*\* and increased driving pleasure means the Trafic is a win-win!

## Renault Sport Formula One Team™

Allow the technology that powers the Renault Sport Formula One Team™ to power your business!

## EURO 6 and AdBlue®

Our engines feature an upgraded SCR (Selective Catalytic Reduction) system which when coupled with AdBlue® solution injections cuts harmful NO<sub>x</sub> emissions in half \*\*. AdBlue® is a clear, non-toxic and non-flammable water-based solution which is added downstream of the engine, meaning you still receive the maximum efficiency while reducing harmful pollutants.

\*Figures are obtained for comparative purposes in accordance with EU Legislation and may not reflect real life driving results. ENERGY dCi 125. \*\*versus Euro 5 engines

# Keeping you mobile

The Renault Trafic has been specifically designed to meet your professional needs and provide you the ability to have a truly mobile office, packed with clever solutions. From tablet and smartphone cradles to hidden laptop storage to our integrated MediaNav system, we aim to keep you connected even when on the go.

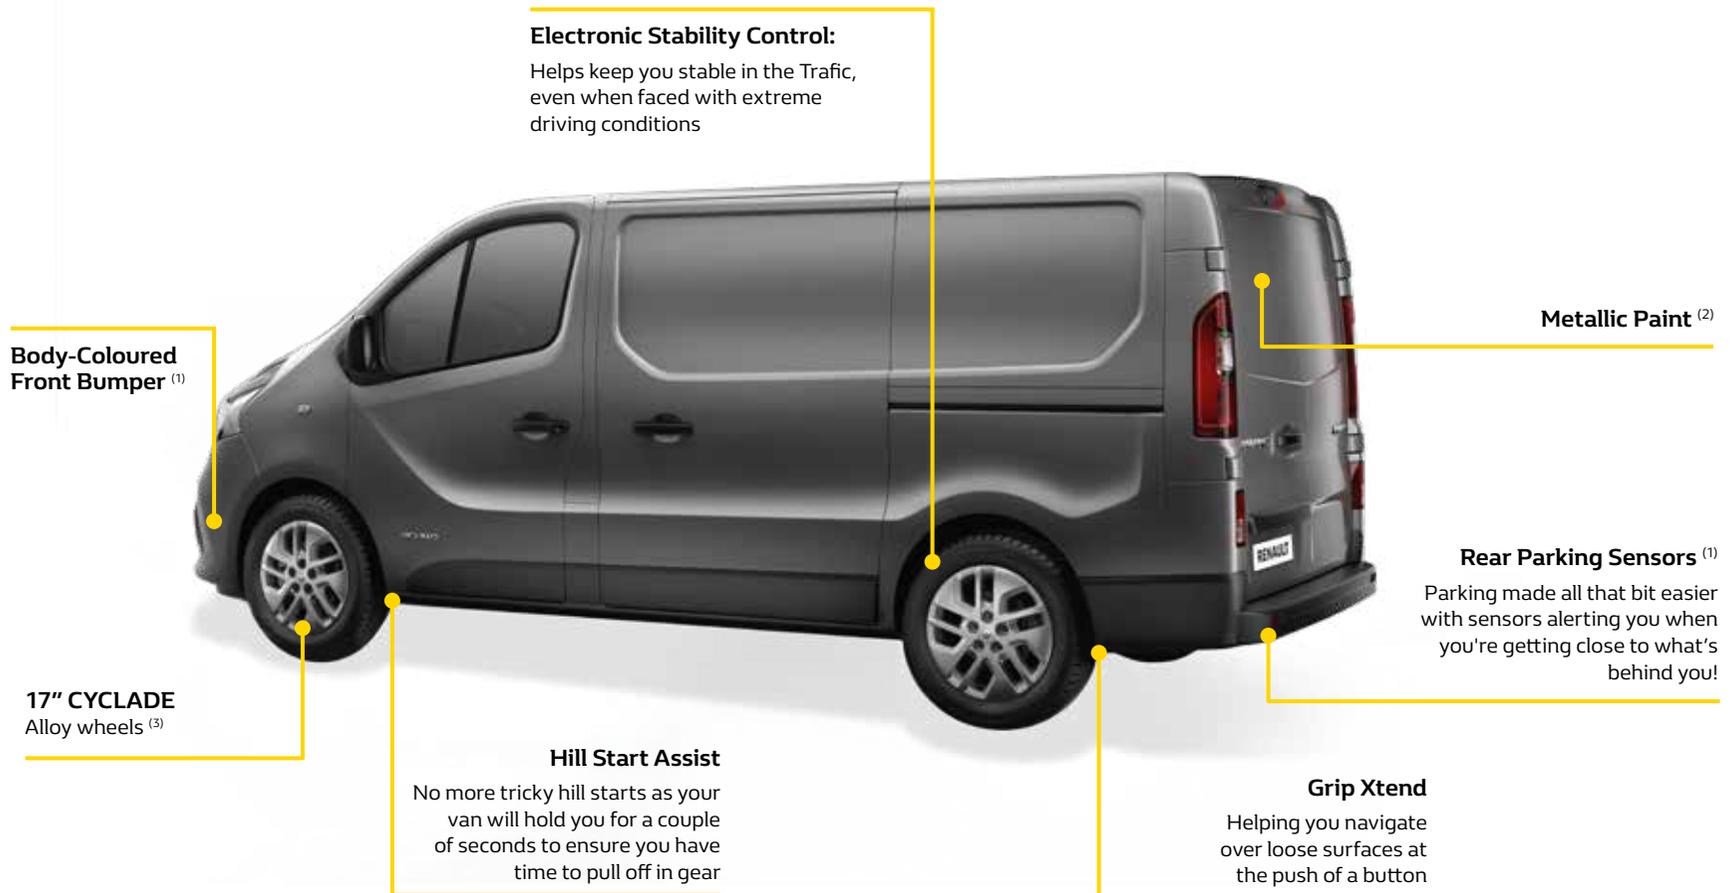

Our load-through bulkhead, drivers airbag, under seat storage and air conditioning are just a few of the features available to provide you with a safe and comfortable environment.

# Our award winning innovation keeping you safe in style

Here at Renault, we offer a number of award winning, innovative features to help you travel safely, save you money and make your life easier. Whether its our Grip Xtend to help over loose surfaces or our Wide View Mirror to help you see into your blind spot, our aim is to make you safer when on the go!

In addition, all our Trafic's come standard with Electronic Stability Control to help you minimise the chance of skidding and an ECO-Mode which allows you to optimise throttle response at the push of a button!

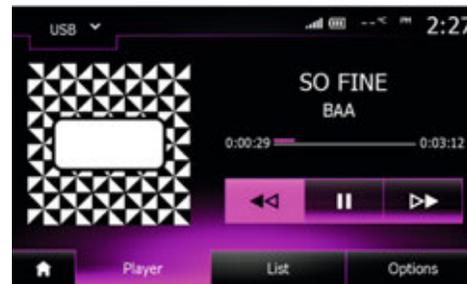

(1) standard from Business+ (2) standard from Premier Edition (3) standard on Sport (4) optional.

# Keeping you connected

## MediaNav

Enjoy stress free travel with Renault MediaNav infotainment system (standard on Sport Nav). The touchscreen tablet allows you access to an array of features including our navigation provided by Navteq® and a number of media sources such as DAB radio and hands free calls using Bluetooth® technology\*.

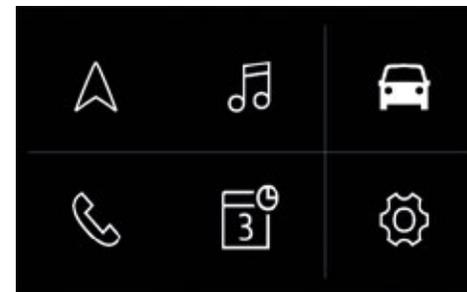

## R&GO

Turn your smartphone or tablet into a touchscreen for your dashboard! R&GO includes a 3D navigation from CoPilot®+ and Eco driving score. Our Eco driving score includes a trip computer, a rev-counter and the ability to monitor your fuel consumption! Its free to download for compatible Android and iOS smartphones\*

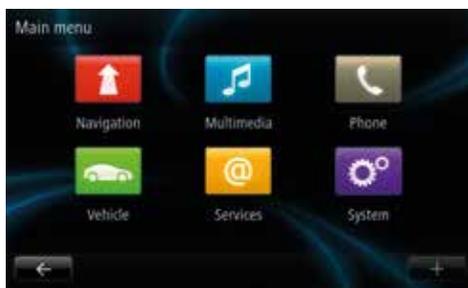

Dashboard USB is not compatible with Renault MediaNav or Renault R-Link

\*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>. #Additional purchase required

## R-Link (Optional)

Our 7" touchscreen infotainment system includes navigation with TomTom® maps (we even give you a 12 month TomTom® Live services subscription), DAB radio and your very own 'Eco Driving Coach' giving you handy tips to improve your driving style. With R-Link you also have the ability to download apps from the R-Link Store and can control the system from the screen, steering wheel controls or even voice command!

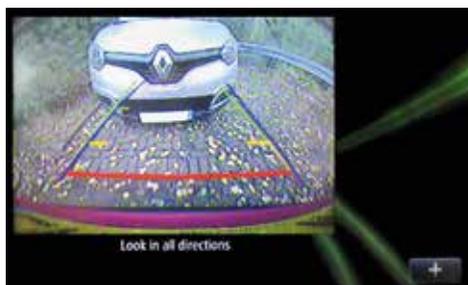

**Main menu with 6 icons**  
Discover the six available menus: navigation, multimedia, telephone, vehicle information, services and applications, system settings.

**Touchscreen navigation system**  
With TomTom® maps and a 12 months subscription to LIVE services.

**Multimedia\***  
DAB/FM/AM tuner, connect devices via USB, AUX sockets or Bluetooth®.

**Reverse parking camera system (additional option)**  
Reverse parking system with rear parking cameras enables you to park safely and accurately. The image is displayed in the R-link screen (when installed) with guidance aids.

**Vehicle information**  
The "Eco Driving" coach gives you handy tips to improve your driving style and reduce your fuel consumption.

**Voice control\***  
Set your destination, call a contact or launch an application, all hands free, with voice control.

\*For compatible devices, please refer to <https://www.renault.co.uk/services/multimedia/bluetooth-compatibility.html>  
Connecting a mobile phone to use Bluetooth® should only be done when the car is parked safely. Use of the system should always be in accordance with the rules of The Highway Code. Drivers should only use the system when it is safe to do so. Drivers should be aware of the potential for hands-free technology to distract attention from the road, which could impact on having full control of the vehicle

# Helping you make the most of your space

The Renault Trafic has been developed to help deliver clever storage solutions, giving you a more practical loading area. Its load through bulkhead goes all the way under the passenger bench seat, allowing you that extra room to carry items up to 4.15 meters in length (on our LWB versions). There's the added option of a clever internal roof rack (only on SWB versions) and a large number of anchorage points (up to 18 on the LWB). The Trafic has been intelligently designed to offer you endless possibilities!

Our numerous Trafic variants have been designed to provide you with loading volumes which are as spacious as ever – 5.2m<sup>3</sup> on the SWB, 6m<sup>3</sup> on the LWB and up to 8.6m<sup>3</sup> on high roof variants. This means with the Trafic you can carry 3 Euro pallets in the SWB version!

\*SWB only

Load through bulkhead flap is magnetised to fix easily and securely in place (standard from Business+)

Interior roof rack : SWB (L1) only (accessory)

16 anchorage rings as standard on SWB, 18 on LWB versions

# Ready4Work by Sortimo

For professionals that need to store tools and equipment, the Ready4Work by Sortimo system arrives at your dealer fully fitted so you can get straight to work. The storage is designed specifically for Renault, so no drilling into the vehicle floor is required.

**Traffic near side Basic block**

**Traffic near side Standard block**

**Traffic near side Premium block**

**Traffic off-side Basic block**

**Traffic off-side Standard block**

**Traffic off-side Premium block**

You can pick and choose from a variety of solutions, with racking on one side or both sides. For full details of what is available, please refer to the LCV Accessories brochure or ask your local dealer. The range is designed to provide professionals with a durable racking system suitable for the storage of a wide range of tools, components and accessories.

## Construction:

- All shelves are made of steel with a load capacity of 60kg each.
- Features aluminum uprights with integrated lashing system (Prosafe system).
- Ready4Work comes with a 9mm thick protective floor with integrated anchorage points.
- The protective floor is resistant to soil and water, easy to clean, extremely scratch proof and impact-resistant
- Aluminum strips protect the door sills.

# Sport+ pack

It's the dynamic and robust lines that give your Trafic its distinctive design. With its Brand Identity front grille, prominent Renault diamond, slender and expressive headlights and protective wraparound front bumper, your Trafic is sure to give off a stylish yet practical image.

To complement these features, the Sport+ pack accessory is available featuring:

- Front and rear spoilers with design cues from our Renault Sport range
- Front fog light surrounds
- LED Daytime Running Lights
- Side steps / bars
- Decal striping designed to fit the contours of the Trafic van

These all come together to create a stylish van which stands out from the crowd on the road.

Images show Sport+ pack on SWB, If ordered on a LWB decal may appear differently than depicted above.

Exclusions: the rear spoiler is not compatible with the tailgate option.

# The New Trafic Premier Edition – Join the Elite

Presenting the new Trafic Premier Edition! Created to celebrate Renault's new football television partnership, this Special Edition Van is the cream of the crop when it comes to bringing it home. Its 17" Black CYCLADE Alloy wheels contribute to an enjoyable and comfortable ride, while its intelligent and innovative design allows the new Trafic Premier Edition to carry up to 6.0m<sup>3</sup> of cargo, so you can carry all your goods with ease. With a rear view camera, R-Link Infotainment System and many more features as standard, the new Trafic Premier Edition will surely raise your standards when it comes to vans! So give others the Red card and win the league with the new Trafic Premier Edition.

#### **DASHCAM WITH ADAS FEATURES INCLUDE:**

- Equipped with Advanced Parking Mode
- Lane Departure Warning
- 3M Pixels Video Recording
- Built in G-Sensor
- Forward Collision Warning
- Departure Delay Warning

# Increasing your safety – Power Traction

Renault Pro+ are excited to offer the Trafic with the option of Power Traction. Featuring a mechanical Limited Slip Differential (LSD) diverting up to 75% drive power to the wheel with the greatest traction. This is coupled with underbody protection, raised ground clearance and mud and snow tyres all from our partners at Poclairn®.

# Standard features

## BUSINESS

16" DELOS wheel trims

MUSCADE trim

### THE BASICS

- Electric front windows
- 80-litre fuel tank
- 20-litre AdBlue® tank
- Door mirrors – heated with electric adjustment and external temperature sensors
- ESC (Electronic Stability Control) with Hill Start Assist and Grip Xtend
- Alarm
- ABS with EBD (Electronic Brake force Distribution)
- Electronic immobiliser
- Remote central locking (2 button key)
- Deadlocking
- 4 disc brakes
- Passenger bench seat

### MAKING YOUR JOURNEY COMFORTABLE

- Closed glove box
- Driver's seat with armrest – height adjustable, lumbar adjustment
- Adjustable steering wheel

### WHAT YOUR VAN LOOKS LIKE

- 16" DELOS wheel trims
- Unglazed left side loading door
- Unglazed, 180° rear doors
- Roof bar fixings\*

### KEEPING YOU CONNECTED

- 2x15W DAB radio with AUX input, CD, Bluetooth® and USB connectivity\*\*
- Trip computer – multifunctional
- Eco mode function
- 12V power socket (front)

### PROTECTING YOU AND YOUR LOAD

- Anchorage points: 16 for SWB and 18 for LWB
- Full steel bulkhead\*
- Spare wheel with anti-theft spare wheel holder

### CREW VAN ADDS

- 2nd row 3 passenger bench seat
- Glazed left and right side loading doors
- Plastic side panels up to windows
- Glazed bulkhead

# Standard features

## BUSINESS+ (additional equipment to Business)

16" DELOS wheel trims

MUSCADE trim

### MAKING YOUR JOURNEY COMFORTABLE

- Manual air conditioning with pollen filter
- Passenger bench seat with under seat storage

### WHAT YOUR VAN LOOKS LIKE

- Body-coloured front bumper, door rail and rear tail light column\*

### PROTECTING YOU AND YOUR LOAD

- Full steel bulkhead with load-through facility\*
- Wide View Mirror (blind spot mirror in passenger sun visor)
- Rear parking sensors

### KEEPING YOU CONNECTED

- Mobile Office – fold down middle passenger bench seat, with detachable A4 clipboard and laptop storage
- Smartphone cradle

# Standard features

## SPORT NAV (additional equipment to Business+)

17" CYCLADE alloy wheels

JAVA trim

### MAKING YOUR JOURNEY COMFORTABLE

- Leather steering wheel \*\*
- Electric front windows – driver's side one-touch descending
- Premium dashboard with closable upper dashboard storage
- Cruise control with speed limiter

### WHAT YOUR VAN LOOKS LIKE

- Metallic paint
- Body coloured door mirrors, brilliant black, high gloss logo surrounds and premium chrome grille
- 17" CYCLADE alloy wheels

### PROTECTING YOU AND YOUR LOAD

- Automatic headlights and wipers
- Front fog lights

### KEEPING YOU CONNECTED

- MediaNav 7" touchscreen multimedia and navigation system
- DAB radio with Bluetooth®, USB socket, AUX input and 2x20W speakers†

### CREW VAN ADDS

- 2nd row 3 passenger seat with two dividing armrests
- Individual seats with ISOFIX (left and right seats) and underseat storage in the 2nd row
- Left and right side loading doors glazed with opening windows

# Standard features

## PREMIER EDITION (additional equipment to Sport Nav)

BLACK 17" CYCLADE alloy wheels

JAVA trim

- Rear View Camera
- Front Facing DashCam with ADAS
- R-Link Infotainment system, TomTom® Navigation, MP3 player and Bluetooth®
- Body coloured side mouldings
- Premier Edition Decals
- Black 17" CYCLADE Wheels

<sup>†</sup> Official fuel consumption figures are produced for comparison purposes and are measured according to the European Regulation 692/2008 and may not reflect real life driving results. These figures are specific for a vehicle type and not for a single vehicle. Real world fuel (actual) consumption can vary as the fuel efficiency of a vehicle is influenced by driving behaviour, weather and road conditions. The use of technical equipment for example air conditioning, can also effect the fuel consumption.

For further information, please visit the Vehicle Certification Agency web site [www.vca.gov.uk](http://www.vca.gov.uk). For more information on CO<sub>2</sub> banding and Company Van Tax Benefit in Kind go to [www.renault.co.uk](http://www.renault.co.uk)

<sup>^</sup> Payload equals the Maximum Operating Mass (Gross Vehicle Mass or GVW) less the Kerb Mass. Kerb Mass is the weight of the complete vehicle including coolant, oil, a 90% full fuel tank, a 100% full AdBlue tank, spare wheel and jack, but excluding driver and crew. All Kerb Masses, and therefore Payloads quoted are subject to a 5% manufacturing tolerance and are based on the base level model. Any additional equipment added (options or accessories), or the selection of a higher trim level, could result in a higher Kerb Mass and a reduced Payload, and may increase CO<sub>2</sub> and decrease MPG figures.

I-Care

# Renault Pro+, the specialist brand

Renault have been part of the LCV market for over a century and we pride ourselves on providing you with versatile and innovative solutions in both our products and services.

Our award winning products, services and commitments give us a strong foundation to inspire further creative innovations. We have created a specialist brand, Renault Pro+ Commercial Vehicles, to offer you a tailored approach to suit all your business needs. As our customer, you deserve a high quality experience and we strive to achieve this.

# Renault Services

## 3 Years Warranty

Your vehicle is covered by a warranty package for up to 3 years from date of first registration (unlimited mileage during the first 24 months, followed by a further 1 year limited to a total mileage of 100,000). Your Renault Dealer is able to repair or replace without charge, parts that are found to have a material or assembly defect that is recognised by Renault. The paintwork warranty runs for 3 years and the anti-corrosion warranty for 12 years.

For Warranty Terms and Conditions please visit [www.renault.co.uk/warranty](http://www.renault.co.uk/warranty).

## 3 Years Renault Assistance

Should you need it, we'll provide emergency roadside repairs or tow you to the nearest Renault Dealer. This service is available 24 hours a day and is provided for 36 months from the date of first registration. Assistance is provided within the UK & Northern Ireland only at roadside, home and includes national recovery and onward travel. Assistance applies to mechanical or electrical defects which are covered by warranty.

For Renault Assistance Terms and Conditions please visit [www.renault.co.uk/assistance](http://www.renault.co.uk/assistance)

## Service Intervals

25,000 miles / 2 years: Traffic all engines and versions

## Renault Network Services

No-one is better placed than Renault to maintain, fit and repair your Renault, fast. The Renault Minute (maintenance and repair with no appointment necessary) and Renault Rapide Bodycare (bumper scuffs, dings and dents, windscreen, stone chips and interior repairs...) services deliver the highest level of repair and maintenance and offer a full year's guarantee on Original Renault Parts. And don't forget to have a look at our wide range of additional equipment and accessories!

## Renault iCare

Is an innovative Service, Maintenance & Repair product that supplies Business customers with a fully supported, managed hassle free service and maintenance package.

Renault iCare is a "Pay-As-You-Go" product that insures your vehicle is maintained by Renault technical experts when work is required.

iCare provides the following benefits:

- Full Service, Maintenance & Repair cover in the Renault Dealer Network
  - Tyres can be included within the contract at an additional fixed cost
  - Ancillary equipment can also be included (at an additional fixed monthly cost)
  - Excludes: Damage/Neglect/Abuse/Glass & Bulbs
- A fixed, pre agreed pence per mile rate
- No excess mileage charges at the end of the contract
- No pooled mileage administration
- Minimalise downtime

For more information and to obtain a quote based on your requirements, please speak to your local Renault Business dealer or visit [www.renault.co.uk/icare](http://www.renault.co.uk/icare)

## Customer Relations

Renault knows the value of communicating with its customers and we have established effective ways to keep in touch with you. If, after speaking to your local Renault dealership, you are not completely satisfied, please contact the Renault UK Customer Relations Department on 0344 3350000\* (Mon-Fri 9.00am to 5.30pm, except Weds 10.00am to 5.30pm. Closed on Bank Holidays). You can also visit our website [www.renault.co.uk](http://www.renault.co.uk) or write to us at: Renault UK Ltd, The Rivers Office Park, Denham Way, Maple Cross, Rickmansworth, Hertfordshire, WD3 9YS.

## Finance options\*

There are a wide variety of ways in which the purchase of a new vehicle can be financed. Renault Finance offers all of them, so whether you're a fleet buyer or private buyer, Renault Finance is ideally placed to tell you which plan or combination of plans best suits your needs and circumstances.

Continue the Renault Trafic experience  
at [www.renault.co.uk/vans](http://www.renault.co.uk/vans)

Although every effort has been made to ensure that the information contained within this brochure is as accurate and up to date as possible, Renault U.K. reserves the right to modify its models without notice, including their characteristics, specifications, equipment and accessories. Brochures inevitably become out of date or inaccurate in some respects, in that such characteristics, specifications equipment, or accessories may be changed after the publication date given below and can differ from the descriptions given or the photos displayed. It is therefore necessary to check with your Renault Dealer before purchasing any product that the characteristics, specifications, equipment or accessories of the vehicle on order are as advertised. The colours that appear in this document may differ slightly from the actual paint and upholstery colours.
